2010 Zone Conferences & Governor's Visits

The Florida District Zone Conferences are scheduled to run slightly longer in 2010, then in 2009 for some compelling reasons. The modified program offers several benefits to our members:

- Combining the Governor's Official Visit with the Zone Conferences eliminate an additional day or evening commitment.
- Combined visits reduce travel and related costs to clubs and members.
- Schedule includes 30-40 uninterrupted minutes to visit our displays and help strengthen our clubs.
- We are including luncheon service, so you don't have to leave hungry.
- Our luncheon break also gives us an opportunity to meet new people and renew old friendships.
- Our closing session and luncheon are being designed to bring more fun and fellowship into our day.
- Immediate Past Governor Dave Liddell will present his 2008-09 awards to more than 100 clubs during the closing session.
- Governor Donna has an outstanding vision to share during her "Official Visit."
- We've added more time to "Focus On Fun and Fellowship!"
- This extended format was used successfully in recent years and we are returning to it to maximize the educational potential of the event and fellowship opportunities

THE BOTTOM LINE: AN EXTRA TWO HOURS AT THIS YEARS ZONE CONFERENCES SAVES EXPENSES AND AN ENTIRE DAY FOR YOUR FAMILY.
