

Florida Kiwanis Foundation

“Imagine the Possibilities”

Welcome to YOUR Florida Kiwanis Foundation. What an exciting time to be in Kiwanis as new leadership takes their positions with new ideas and a renewed commitment to service. I

am Keith Forehand, 2009 – 2010 President of the Florida Foundation, from Panama City (Yes that’s in Florida, sometimes referred to as LA, or Lower Alabama). My greatest desire, in this position, is to see all of our Kiwanis family working together for a common purpose. That is why I am dedicated to the mission of providing a Foundation that enables caring individuals to combine their resources of time, talent, and finances to make a greater impact on the needs of children and families in Florida. We can do more by working together and the Foundation is that thread that can bind us together in service. Imagine the possibilities when almost 10,000 of us have the same purpose! Will you help make that possibility a reality?

Our focus on service remains in 2 primary areas: 1.) Financial grants that partner with Florida Clubs and Divisions for local needs, and 2.) Support of our Service Leadership programs at the District level. Helping our future leaders excel through K-Kids, Builders Clubs, Key Clubs, CKI, and Aktion Clubs. A BIG vision with growing needs, but certainly achievable with everyone’s participation.

Trustees will be visiting your Club to explain the many opportunities of how you can become a vital part of expanding the reach of Kiwanis in Florida. The first step is to make sure that your Club’s Annual Support Contribution is budgeted and sent in before December so we can continue to focus on “Leaving a Legacy for the Children.” We have it within our power to truly make a difference, will you join us? Please feel free to contact me with your questions or comments and I look forward to serving with you in Kiwanis.
