

Your Legacy For The Children

By Dick Klein, 2007-2008 Foundation President

Your Florida Kiwanis Foundation is “Dedicated to the Support of Florida Youth to Ensure A Brighter Future”. This year we are focusing on helping you understand how your Legacy will provide the lasting source of income to fund programs through your Foundation’s Endowment. The Endowment Fund is the vehicle, supported by various programs, that provides annual earnings that are given each year in Grants to assist club and Division projects and the Service Leadership Organizations in the Florida District. These programs include:

The Florida Kiwanis Legacy Society: You may become a member of a “special group” of individuals that recognize the importance of a lasting legacy. Your gift of \$5,000 or more in the form of an outright gift or a pledge through a variety of financial instruments will add to the Endowment Fund and continue to give forever.

The Ralph Davis Fellow: With a gift of \$1,000 Kiwanis clubs,

Divisions, other groups and individuals may recognize a Kiwanian’s leadership and service to youth by bestowing the Ralph Davis Fellow on those worthy individuals. You, as an individual, can also show your support and desire to help the Endowment Fund grow with your personal gift of \$1,000.

Planned Giving Programs: This year your Foundation will be providing seminars and other educational programs at club, Division and District functions. The Foundation has developed contacts with estate planners, financial planners and insurance professionals (all Kiwanians) to help in developing your lasting legacy.

Please contact your Division Trustee or Foundation Officers to learn more about these opportunities. Your gifts will ensure **Your Legacy for the Children!**

2007-2008
