Your Legacy For The Children

We all have our “pet” projects. I’m sure that yours include the projects that Kiwanis and your Kiwanis Club participate in doing. I’m asking you to consider “A Legacy For The Children.” When you are considering how you want the world to progress, just think of the wonderful things that Kiwanians are doing. Have you seen the gleam in the eyes of the child who just caught their first fish at the Kiwanis Fishing Rodeo? The cost of the equipment was provided, in part, by a matching grant from your Foundation. Did you notice the grin on the face of the child that just slid down the slide at “Kiwanis Park?” Part of the cost was through a matching grant from your Foundation. As you read to the child that has no books, did you feel the wonder? The books were provided by a local Kiwanis Club who also built the bookcases with a matching grant from your Foundation.

We can provide matching funds through grants for more projects identified by Kiwanis Clubs and Divisions throughout the Florida District only when the funds are available. The matching funds come

from both the Florida Kiwanis Endowment plus 100% of your direct gifts to several programs including the Caring Corner, Sustaining Memberships, Recognition Plaques, and Memorial Gifts. As you consider how your estate should be distributed think about the children, and consider “Leaving Your Legacy For The Children.” Think about the positive impact we Kiwanians would have on these vital projects through our gifts.

Your Foundation Trustees can provide you with information or you may learn more at the Foundation presentations at the District Convention and at other Kiwanis educational opportunities. Remember through the Florida Kiwanis Foundation your gifts ensure **Your Legacy for the Children!**
