

## Kiwanis Education

By Richard Wongsam, District Chair, Education

### Zone Conferences are Back!

In the 2008 – 2009 Kiwanis year, Governor Dave Liddell decided to return to the Zone Conference format to “Reach Out” to Florida Kiwanians so that they may “Reach Up” and learn more about Kiwanis while spreading the Kiwanis message throughout the District. Five (5) Zone Conferences have been planned and they will be held in Niceville, Lake City, Orlando, St. Petersburg and Pembroke Pines. As you can see, all areas of the District have been included to make it easier for all Kiwanians to participate. We will have the best District Chairs and trainers available at each location to share their knowledge by participating in the various Educational sessions. Each Zone will have fifteen (15) Educational sessions on a variety of interesting subjects. There will be Table Top displays with educational materials provided by the District Chairs for participants to take back to their respective clubs. Governor Dave will be addressing the attendees and will be meeting with all Kiwanians.

The Zone Conference schedule is as follows:
