## A New Season

By Laura Beagles, President, Florida Kiwanis Foundation

October is a very interesting month of the year. Baseball is ending and football is starting to get exciting. Although still warm, we notice some coolness in the morning and late evenings. Signs of the forthcoming Holiday season begin to appear.

On October 1, I begin not only an interesting month, but a new and exciting year. I will be serving as the President of the Florida Kiwanis Foundation. I look forward to continuing our theme created with love and devotion from Immediate Past President Dick Klein, "Leaving a Legacy for the Children".

I am so honored to serve our Kiwanis family with my fellow Foundation Officers and Trustees and look forward to working closely with Governor Dave and his Lt. Governors. I will need the support

and encouragement from each of you as we continue to work hard to strengthen our commitment and resources to ensure a future Legacy for the Children.

So, I will work hard to take the time to meet and talk to as many of my fellow Kiwanians I can this year to seek your help in this ambitious, but needed, goal.

In Kiwanis fellowship and service,  
Laura
