

FLORIDA DISTRICT LIFE MEMBER STATUS

Florida District Life Member Status is an ideal way of honoring Kiwanians deserving of special recognition. Individuals may also demonstrate their personal commitment to Kiwanis. By achieving Florida District Life Member Status you are perpetuating the great works of Kiwanis.

Life membership may be presented by a club, family or friends to a deserving Kiwanian. An individual may also personally apply for District Life Member Status. Recipients must hold active or senior membership. District Life Member Status is granted to individuals and not in the name of a club, division, or district office. District Life Member Status ceases upon death or resignation from Kiwanis.

Each member granted District Life Member Status receives a distinctive silver-tone Florida District Life Member pin, a District Life Member name badge and a District Life Member Plaque.

The cost of Florida District Life Member Status is a one-time fee of \$450.00 (15 times the amount of annual dues) payable upon application. Florida District Life Member Status is achieved when payment is received by the Florida District of Kiwanis International and the application is approved.

Once District Life Member Status has been achieved, the member's club will never again be required to pay District dues for that member. District Life Member Status has no effect on payment of International dues, liability insurance, the subscription to Kiwanis Magazine, or club dues. The District Life Member shall not be assessed by the club for District dues.

As set forth in the Florida District Bylaws, the District Board shall have the right to limit the number of Florida District Life Members in any given year.
