Why Diversity?

- We must adapt to changes in demographics, gender, age and social factors if we want to become the premier service organization in North America.
- The more diverse we are the stronger we will be and the more service we will be able to accomplish

Kiwanis International believes that a truly diverse Kiwanis membership is not based merely on differences in skin color or language, but also embraces variety in backgrounds, experiences and skills.

“Teach me to accept others with love as you do. Help me to take other people as they are and never be cruel or unkind whatever they look like. Teach me to respect other people and the way they live and the things they believe. Help me to trust other people and leave them their freedom to be different.”

Author: Sister Wendy Beckett. Written by an 8-year old girl... From the mouth of babes.
