

There is only thing more rewarding than making a difference in the life of a child, a family, a school or a community.

That's the difference you make when you work with others to spread the service.

So what can you do to spread the service in the Florida district?

### 100 in 100

You've heard of the FL Membership campaign to add 100 Women to your division in the first 100 Days of 2008 (01-01-08 and 04-10-08)!

Well don't feel like you have to limit your membership growth by just adding 100 new **female** members! Take advantage of the opportunities afforded by this exciting campaign of honoring the anniversary of women in Kiwanis by growing your club and growing your service with the addition of both male and female members.

Think of the difference that 100 new **Kiwanians** can make in your community!

Every club gains from your experience so please share your membership program successes! Email Governor Mark at: [Mark.Taylor@hughes.net](mailto:Mark.Taylor@hughes.net)
